

Monday 23<sup>rd</sup> March 2020

Dear Class 2 children and parents,

I was so sorry not to see you all at the end of last week. We are fine, and I am really looking forward to getting back to teaching you all.

You should now have logins for Spelling Shed and Maths Shed, Espresso, the school website and blog along with details of other resources.

On the Class Page. I am attaching this week's lesson plans/ideas for English, Maths, and Topic or Science and links to Spelling Shed and Maths Shed assignments. There are also some challenges to help keep you busy. I am not going to set a timetable, you can choose what to do and when to do it. You don't need to print anything, but where possible I have included example worksheets to help guide you through the work.

I will be available to chat or provide help on the blog on Monday, Wednesday and Friday between 10 – 12 am. You can also send me an email at any time on [class2@bradworthy.devon.sch.uk](mailto:class2@bradworthy.devon.sch.uk).

I would love to hear what you are all reading and how you are entertaining yourselves. I'd be delighted to see photos of you and any of the activities you have been doing.

Elliot has suggested a link for PE with Joe Wicks which looks lots of fun. He will be doing a live PE session at 9am each day. I'd love to think lots of us were doing it at the same time. I am attaching the link for our wake-up-song (I am sure your parents would love to join you with that one.) I am so sorry we can't all actually be together during this time, but we can continue learning together and sharing ideas.

I am going to miss seeing you all every day so please keep in touch. If you have any questions, remember you can ask on the blog, or email me.

Lots of love

Mrs Carey xxx
