

## 2 Costume Design:

Date: \_\_\_\_\_

You now need to design the costumes for the members of your musical group! You need to think about what items you have at home that you could use for your costumes - feel free to try things on to experiment with your musical look! Please make a sketch of each outfit you design - make sure you try out different options for each person!

Designs created by: \_\_\_\_\_

For these designs, you should aim to create trial designs for yourself and at least 1 other person in your group. You may decide on just final designs for the other members of your musical group.

When you have finished, please email the following to me:

- A copy of your Costume Designs sheets
- A photo of you in your own costume, too!
